

We specialise in writing a wide range of high hazard, hard to place and standard occupations across the risk spectrum. Whether it be a tree lopper or a major complex risk requiring tailored covers, our public and products liability specialists are always available to assist you with the placement.

Our competitive advantage comes from our intimate knowledge of the Australian market, supported by the strength of our ability to access worldwide markets. Australis can provide clients with limits up to \$50m. Our policies are underwritten by APRA authorised "A" rated security.
